## Exciting New Walks Launched On The Deepdene Trail!

Five new walks are now available on The Trail. All walks are bookable via Dorking Halls either through the Box Office or online [www.dorkinghalls.co.uk](http://www.dorkinghalls.co.uk). Prices starting at just £3 per person.

On 3<sup>rd</sup> August we begin with our **Family Nature Trail**, a 1.5 mile circular walk of the Gardens and Terrace of Deepdene led by Jim Storrar an independent field ecologist. Jim is an experienced group guide, with a personal passion for the countryside. He spent many years as a National Trust Ranger on Leith Hill and he currently utilises his wealth of ecological knowledge to inform and inspire others.

The **Nature Trail** will give a fascinating insight to the varied plants and wildlife that make the Deepdene's landscape unique. On Saturday 12<sup>th</sup> August (and Wednesday 23<sup>rd</sup>) it's **Deepdene's History Detectives Walk**, perfect for those fascinated by mysterious maps, ancient remains and a cursed gem. This walk is ideal for families, lasting around 1.5 hours within the Gardens and Terrace of Deepdene and led by Gail Mackintosh, our Activities Co-ordinator. Gail will provide a fun, mini-adventure for all ages and light refreshments will be provided.

Jim Storrar takes the lead again on 19th August with a new **Natural History Walk** in the afternoon, followed by a **Deepdene Bat Walk** in the evening.

Join Jim for the informative **Natural History Walk** of around 4.5 miles of the Deepdene's varied landscapes starting at the Royal Oak Pub in Brockham ([www.royaloakbrockham.timewellspent.co.uk](http://www.royaloakbrockham.timewellspent.co.uk)) at 3.30pm. Come and deepen your connection with the countryside on a beautiful summer afternoon.

**Deepdene's Bat Walk** explores the nocturnal world of the Deepdene's landscape using professional bat detecting equipment to track down these fascinating creatures as they emerge at night. This walk includes an atmospheric visit to Betchworth Castle, a perfect backdrop for spotting bats. Jim will lead you on this 1.5 hour exploration to track these often-misunderstood mammals. Walk begins from outside the Royal Oak Pub in Brockham ([www.royaloakbrockham.timewellspent.co.uk](http://www.royaloakbrockham.timewellspent.co.uk)) at 7.30pm.

The nature and family walks are priced at £3 per person with children under 5 going free. The bat walk is £5 per person but with children aged 8-14 only £3 each.

Councillor Vivienne Michael, Leader of Mole Valley District Council, said: "The Deepdene Trail is almost a year old now and we continue to tempt new visitors through a wide range of activities and events.

"Our recent Shakespeare event in June brought live actors on to The Trail; these new informative and fun wildlife walks are another reason to visit. Our Heritage Lottery Funding required us to reach a wide range of people in what we do on The Trail and we are confident these varied activities are doing just that.

“In September this year we are supporting Heritage Open Days across Mole Valley with a range of walks. On 10<sup>th</sup> September, the Mausoleum will be open from 10 - 4pm, with a knowledgeable guide on hand all day and teas and coffees available outside.

“None of this would be possible without the tireless work of our Friends of Deepdene Volunteers, who go out in all weathers twice a week to work on the landscape. Thank you to them and everyone involved with The Trail, it truly is an asset to Mole Valley and we will continue to champion it at every opportunity.”
