
SEEKING IMAGES OF THE DEEPDENE ESTATE!

The team at The Deepdene Trail are looking to uncover more images of the original Deepdene Estate to help them with the creation of a new Virtual Tour. Do you have photos, drawings or a painting that could help?

Councillor Vivienne Michael, Executive Member for Community Engagement & Residents Services said, “This Autumn, The Deepdene Trail will open to the public. We are currently creating a historic Virtual Tour of the site as it was in 1825, enabling those who are unable to visit or who want a preview of the experience, to see The Trail online.”

“The Virtual Tour is just one part of this exciting project, providing a new visitor destination for all to enjoy a short walk from Dorking town centre and stations. The site works are well underway and we are developing an App to guide visitors around The Trail. If you would like to follow progress, The Deepdene Trail is on Facebook, Twitter and Instagram.”

“Any images we receive will be carefully studied for their content and returned safely to their owners. If you have something to show us please do call on 01306 885 001, or email TheDeepdeneTrail@molevalley.gov.uk .
