LICENSING OBJECTIVES		
Describe the steps you intend	d to take to promote the four I	icensing objectives:
a) General – all four licensing	objectives (b,c,d,e)	

List here steps you will take to promote all four licensing objectives together.

By proactively addressing each of these objectives below Through comprehensive policies, staff training, and operational procedures, a licensed premises can demonstrate its commitment to responsible operation and contribute positively to the local community.

b) The prevention of crime and disorder

SIA Licensed Door Supervisors: Employing trained and registered door supervisors, particularly during busy periods, to manage queues, prevent aggressive behaviour, and maintain order.

CCTV Systems: Installing and maintaining comprehensive CCTV coverage both inside and outside the premises, with clear signage, and ensuring recordings are retained for a specified period and accessible to the police upon request. Incident Reporting: Maintaining an incident log to record all occurrences of crime, disorder, refusals of service (e.g., to intoxicated or underage individuals), and any other significant events, making it available for inspection by authorities. Proof of Age Policy: Strictly enforcing a "Challenge 21/25" policy (or similar), requiring valid photographic ID (such as a PASS-accredited card, passport, or photographic driving licence) from anyone appearing under a certain age when purchasing alcohol.

Staff Training: Providing regular and comprehensive training for all staff on relevant laws, policies, and procedures, including recognising and managing intoxication, dealing with conflict, preventing drug use, and reporting incidents. Responsible Drinks Promotions: Avoiding promotions that encourage excessive or rapid consumption, such as "two-forone" offers or unlimited drink deals.

Capacity Limits: Implementing and enforcing a clear capacity limit for the premises to prevent overcrowding, which can lead to safety issues and disorder.

Communication with Authorities: Maintaining open lines of communication and cooperation with the police and local licensing authority, participating in schemes like Pubwatch or Shopwatch where appropriate.

Dispersal Policy: Having a plan for the safe and quiet dispersal of customers at closing time, potentially including displaying local transport information.

No Open Containers Outside: Ensuring customers do not leave the premises with open containers of alcohol.

Glassware Policy: Considering the use of toughened glass or plastic containers during certain events or busy periods to reduce the risk of injury.

c) Public safety

Fire Safety: Conducting regular fire risk assessments, ensuring all fire exits are clearly marked, unobstructed, and easily operable, and maintaining fire safety equipment (extinguishers, alarms) with regular checks and servicing.

Emergency Procedures: Developing and implementing clear emergency procedures for various scenarios (e.g., fire, medical emergency, power outage), and training staff in these procedures.

First Aid Provision: Ensuring adequate and appropriate first aid equipment and materials are available on the premises, and that at least one suitably trained first aider is on duty when the public is present.

Structural Safety: Regularly inspecting and maintaining the structural integrity of the premises, including flooring, stairwells, and fixtures.

Electrical and Gas Safety: Conducting annual inspections and testing of all electrical and gas systems and appliances by competent persons, and retaining satisfactory safety reports.

Lighting: Ensuring adequate and appropriate lighting levels both inside and outside the premises, particularly in exit routes and potentially hazardous areas.

Crowd Management: Implementing measures to prevent overcrowding and ensure safe movement of people within the premises, including clear gangways and circulation areas.

Disabled Access: Providing adequate arrangements for the safe movement and evacuation of disabled people within the premises.

Secure Bottle/Glass Disposal: Implementing procedures for the prompt and safe collection and disposal of empty bottles and glasses to prevent breakages and injuries.

d) The prevention of public nuisance

Noise Control: Implementing measures to control noise emanating from the premises, such as installing sound limiters on music systems, keeping external doors and windows closed (especially during amplified music or speech), and positioning outdoor areas away from residential properties.

Litter Management: Providing sufficient litter bins both inside and outside the premises, and regularly cleaning external areas to prevent litter accumulation.

Customer Dispersal: Displaying prominent notices requesting patrons to leave the premises and the area quietly, and actively managing customer dispersal to minimise noise and disturbance to local residents.

Deliveries and Waste Collection: Scheduling deliveries and waste collections during less sensitive times to minimise noise disruption to neighbours.

Odour Control: Implementing measures to control cooking odours or other smells that could cause nuisance to nearby properties.

Lighting Nuisance: Ensuring external lighting is positioned and directed to illuminate the premises effectively without causing light pollution or glare to neighbouring properties.

Monitoring and Response: Regularly monitoring the impact of the premises' operations on the surrounding area and promptly addressing any complaints or concerns from residents or authorities regarding nuisance.

e) The protection of children from harm

Age Verification: Strictly adhering to a "Challenge 21/25" policy for all alcohol sales, ensuring staff are trained to identify valid ID, and refusing sales to anyone who cannot provide it.

Refused Sales Log: Maintaining a clear record of all refused alcohol sales, including the date, time, and reason for refusal. Restrictions on Children's Presence: Implementing and clearly displaying policies regarding the admission of children, including any age restrictions, times when children are not permitted, or requirements for accompanying adults, particularly in areas where alcohol is the primary focus.

Prevention of Proxy Purchasing: Training staff to recognise and prevent proxy purchasing (adults buying alcohol for underage individuals).

Supervision: Ensuring adequate supervision of children on the premises if they are permitted, especially in family-friendly areas.

Protecting Children from Inappropriate Content: If entertainment is provided, ensuring it is age-appropriate and does not expose children to harmful or explicit content.

Safeguarding Training: Providing staff with training on safeguarding children and recognising indicators of potential harm or exploitation, with clear reporting procedures.

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
