## 2026 East Surrey Elections

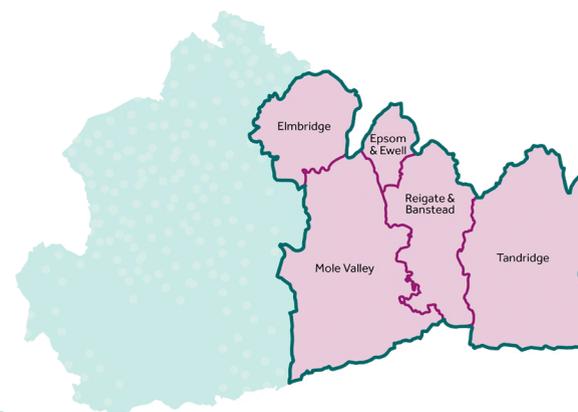

### Get ready to vote on 7 May

Local government in Surrey is changing to make the system simpler, more connected, and better able to meet local needs. This is called Devolution and Local Government Reorganisation.

From April 2027, the existing county council and 11 district and borough councils will be replaced with two new unitary councils - East Surrey and West Surrey.

**On Thursday 7 May 2026, you will get the opportunity to elect who you want to represent you in your new East Surrey Council.**

Make sure you are ready to vote in these important elections.

### East Surrey Council

Made up of the geographical areas of:

- Elmbridge
- Epsom & Ewell
- Mole Valley
- Reigate & Banstead
- Tandridge

Future Surrey is a temporary identity created by all councils in Surrey to help people understand the changes taking place across the county and what they mean for you.

## What East Surrey Council will be responsible for

From April 2027, East Surrey Council will provide all the local council services you rely on - education, waste collection, roads, housing, play areas, children's services, adult social care and more.

## Your new East Surrey councillors

The councillors elected to East Surrey Council in May 2026 will initially operate as a 'shadow authority'. During this period they will:

- develop budgets and service plans
- agree staffing structures and governance arrangements
- prepare for the transfer of responsibilities from the existing councils
- engage with residents and local partners to shape priorities.

East Surrey Council will formally begin operating on 1 April 2027, when Surrey County Council and the district and borough councils will be dissolved.

- East Surrey Council will have 72 councillors made up of two councillors representing each of its 36 wards. They will serve for five years, until May 2031.
- There will be 12 councillors across 6 wards representing Mole Valley's geographic area.
- Electors will be able to vote for up to two councillors in their ward.
- The two candidates with the highest number of votes will be elected (first past the post).
- Details of candidates standing for election in your area, will be available on our website [molevalley.gov.uk](http://molevalley.gov.uk) and [surreylgrhub.gov.uk](http://surreylgrhub.gov.uk) by 4pm on Friday 10 April 2026.

## Existing county, borough and district councillors

- Your existing councillors will continue to represent you until 31 March 2027.
- There will be no elections for these councils in May 2026, unless a by-election is required in a particular ward.
- For now, nothing changes in the way you receive services. All councils will continue to deliver services as usual.
