Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Strong management controls and effective training of all staff so that they are aware of the premises licence and the requirements to meet the four licensing objectives. We promise to support these objectives through their operating schedules and other measures (including staff training and qualifications, policies, and strategic partnerships with other agencies). We have CCTV system installed with recording option available. We do not serve alcohol or sell alcohol at our premises. We do not have a customer seating area or toilets in the premises. The food served is for take away or delivery only. We will strictly operate during the permitted hours and only licensable activities will be done during those hours. Fire safety Risk assessment will be carried out regularly. We will take appropriate measures to reduce the noise and do not let our operations effect our neighbours. We will take appropriate measures to ensure public safety. I do not believe our proposed opening hours and operations will harm children in any manner however we will cooperate with all authorities to provide safe environment for children

b) The prevention of crime and disorder

CCTV System installed to monitor entrances, exits, and other parts of the premises in order to address the prevention of crime objective. A clear and legible notice outside the premises indicating the normal hours under the terms of the premises licence during which licensable activities are permitted. As a late night refreshment premises, customer will not be sought by means of personal solicitation outside or in the vicinity of the premises. Prevention and vigilance in illegal drug use at the retail unit area. We do not serve or sell alcohol. The food is for take away only. There is no sitting arrangement or toilets for customers.

c) Public safety

Internal and external lighting fixed to promote the public safety objective. Well trained staff adherence to environmental health requirements. A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made; those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises licence that

requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation. All parts of the premises and all fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, sanitary accommodation and other installations, will be maintained at all times in good order and in a safe condition. fire safety risk assessment has been completed on the premises and warning signs are displayed where needed, and required fire safety equipment is installed on the premises

d) The prevention of public nuisance

Prominent, clear and legible notices will be displayed at all exits requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly. Deliveries of materials necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents. Our deliveries come between 7 am and 10 am only. We will ensure that staff who depart late at night when the business has ceased trading conduct themselves in such a manner to avoid causing disturbance to nearby residents. Customers will be asked not to stand around talking in the street outside the premises; and asked to leave the vicinity quickly and quietly. All our car drivers are aware that they should arrive and depart as quietly as possible, should not sound vehicle horns as a signal of their arrival or leave engines running unnecessarily. We do not have any bike drivers at the moment. The movement of bins and rubbish outside the premises will be kept to a minimum after 10.30pm. This will help to reduce the levels of noise produced by the premises. Bright lights on or outside the premises will be positioned and screened in such a way so as to not cause a disturbance to nearby residents. Adequate waste receptacles for use by customers will be provided in the local vicinity.

e) The protection of children from harm

It is our assessment that our late night opening hours does not harm the children in any way as we do not conduct adult entertainment on the premises. Also we do not sell or serve alcohol. We do not provide sitting area or toilets for customers

 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
